

# *KITTEN SALE AGREEMENT.*

## *Conditions of sale agreed by the breeder and the purchaser*

- 1. Sold as a pet: The kitten shall be kept as an indoor pet, be neutered/spayed at the appropriate time and not at any time be bred from or entered in a cat show without the breeder's prior knowledge and written consent. Registration paperwork will be sent on receipt of proof of neutering or spaying.*
- 2. Sold as having Breeding Potential: Only matings with a suitable registered cat shall be arranged. Any resulting kittens shall be reared, vaccinated and sold or re-homed in accordance with G C C F guidelines. No responsibility can be accepted by the breeder should a kitten fail to succeed as a breeding adult.*
- 3. Sold as having Show Potential: The breeder cannot guarantee success in competition.*
- 4. This kitten shall not at any time be re-sold or re-homed without the breeder's prior knowledge and consent. The breeder reserves the right to take the kitten back should such a situation arise, or to participate in agreeing the new home should it be impractical for the kitten to be returned.*
- 5. On returning the kitten for any reason there will be no refund, however the breeder will forward any monies gained resulting in the kitten's rehoming, to the original purchaser.*
- 6. No kitten sold from the bloodline of the aforementioned kitten shall ever be registered on the active register without consent in writing from the breeder.*
- 7. The new kitten owner must ask new buyers to sign a contract stating that any kittens that they breed must also be on the non-active register. This is done to protect our own blood lines.*
- 8. This Kitten is coming from an FeLV / FIV negative household.*
- 9. This Kitten at the time of vaccination by the Veterinary Surgeon was found to be free of any noticeable illness or parasitic infection and deemed fit to be rehomed.*

*This agreement is binding and shall remain in force throughout the cat's life.*
